Canadian Engineering Education Association (CEEA) Fourth Annual Conference: 17-20 June, 2013

École Polytechnique – Montréal

WELCOME TO MONTREAL

Montreal rocks in the summer! Bring the family to the 2013 CEEA Conference and enjoy Montreal's many festivals and activities, including Montreal's Grand Prix just prior, the Jazz Festival shortly afterwards, and the Fireworks Festival throughout. As well, plan your participation considering other engineering education conferences:

- 9th International CDIO Conference 10-13 June, at MIT-Harvard
- ASME (21-26 June) and ASEE (23-26 June) conferences

CALL FOR PAPERS

Authors are invited to submit abstract of approximately 300-words on a broad range of topics relevant to engineering education, including but not limited to areas such as engineering education research, design and integrated learning, engineering accreditation including outcomes assessment, on-line learning and other innovative teaching methods, curriculum enhancement, professional development, industry/academic partnership, capstone and multidisciplinary design, engineering and society, engineering outreach – and others.

SPECIAL SESSIONS

Until 31 December 2012, we are encouraging the development of special sessions at the 2013 CEEA Conference. Submissions might include classical sessions targeting a theme of interest, or may involve innovative formats such as roundtables or workshops.

For more information regarding paper submissions or special sessions, please contact the Technical Program Co-Chairs, Professor Michel Perrier (michel.perrier@polymtl.ca) or Professor Sylvain Turenne (sylvain.turenne@polymtl.ca).

PAPER SUBMISSION

An electronic copy of each abstract should be submitted in Adobe PDF format via <http://www.easychair.org/conferences/?conf=ceea2013>. The submission requires detailed information about each author. Upon peer review and acceptance of abstract, authors may choose to submit a full conference paper (six pages) or a one-page condensed paper. The accepted papers will be published in the proceedings of the conference.

IMPORTANT DATES

- 14 January, 2013 – 300-word abstracts submission deadline
- 11 February, 2013 – Notification of acceptance
- 15 April, 2013 – Final papers/condensed papers due
