## Call for Papers & Workshops

The 2016 Canadian Engineering Education Association's Annual Conference will be held at **Dalhousie University** in picturesque Halifax, Nova Scotia from **June 19 - June 22, 2016**. All areas of engineering education research and practice are invited for submission of papers. The conference theme is Innovation & Design in Engineering Education. This conference offers a unique venue for academics and practitioners to discuss recent trends in engineering education and education research. The conference includes workshops, plenary sessions, and technical sessions. Authors are invited to submit an abstract of approximately 300-words using EasyChair by the Abstract Submission date. Successful authors will be invited to submit a full paper.

The CEEA Organizing Committee is excited to welcome you to Halifax!
