Registration is now open for our 10th Annual Event: https://smitheng.ca/gacip

GACIP Summit Plus 2023

FULLY VIRTUAL AND FREE

Mon. Dec. 18ᵗʰ   PRE-EVENT WORKSHOP   2-4 pm EST

Tues. Dec. 19ᵗʰ CEAB | PANEL | INTERACTIVE SESSION 11 am to 4:30 pm EST

This year's Summit will focus on the current reality of graduate attribute and continuous improvement (GA/CI) processes in engineering education, and the future possibilities for building robust processes for evidence-based continuous improvement. Attendees are asked to indicate which sessions you will attend for planning purposes.

Monday Dec 18th

SESSION 1:   Pre Event GA/CI Concepts Workshop   2 - 4 pm EST

- Suitable for first time attendees and those looking for an overview of principles behind graduate attribute assessment and continuous improvement processes
- Interactive workshop using the EGAD 6 Step Guide model

Tuesday Dec19th

EVENT WELCOME AND OPENING   11 to 11:15 am EST

SESSION 2:   CEAB Updates and Program Insights   11:15 am - 1pm EST

- Update from CEAB on recent changes and common issues
- Update from the Futures of Engineering Accreditation Project
- Insights from three engineering programs on their approach to common GA/CI challenges

SESSION 3: Future Possibilities for Building Robust CI Processes   1:30 - 4 pm EST

- Interactive workshop using examples and case studies focused on course-level, program-level, and process-level continuous improvement.
- Intended to support actionable and meaningful evidence of learning

EVENT REFLECTION AND CLOSING   4 pm EST

Nous souhaitons la bienvenue à nos collègues francophones à la conférence. Les sessions se dérouleront en anglais, avec des animateurs bilingues dans la mesure du possible pour les activités des groupes de travail.
